

UNITED STATES DEPARTMENT OF AGRICULTURE  
BEFORE THE SECRETARY OF AGRICULTURE

AWG Docket No. 10-0355

In re: Shirley A. Hampton,  
Petitioner

**Order**

This matter was heard by telephonic hearing on November 16, 2010 a summary of which was entered the same date . The Petitioner testified that she was not employed at the present time and was status post surgery for lung cancer. She was asked to provide medical documentation of that surgery and to mail the same to the Hearing Clerk's Office. She has since supplied that documentation which confirms the cancer diagnosis and indicates the likelihood of continuing malignancy.

Being sufficiently advised, it is **ORDERED** as follows:

1. That the administrative garnishment proceedings be **TERMINATED**. The Petitioner is not currently employed and is not eligible for administrative wage garnishment at this time or in the foreseeable future given the seriousness of her medical condition.
2. That the original medical records supplied by the Petitioner be removed from the file and returned to her.

Copies of this Order will be served upon the parties by the Hearing Clerk.
